Dear ~~Mrs~~ Parker, Yrs. received yesterday. I could  
 have made a better list somewhat, & certainly larger, if I  
 had had some memo. books at hand, which are in Boston. As it  
 is, I believe every names is pretty reliable, unless 2 or 3, which I  
 have marked with an interrogation point, are to be excepted. I suppose  
 you hardly care for many names { Truly Yours
